“ Mark ... One of Mama Ruby's 6!

Mark was one of Mama Ruby's 6 grandchildren and indeed a beautiful spirit. Mark was always present at Mama Ruby's traditional dinners. He made sure to bring the laughs. Mark had a way of putting a contagious smile on everyone's face.

Even during his illnesses, a visit with him always made the family smile.

I will never forget ... The last day I spent with my father before his passing, Mark was there. He, of course kept us smiling and laughing. Before we left, he offered to pray. His prayer was genuine, heartfelt and meant the world to me.

Thank you for your spirit and all you have meant to our family. You, big cousin are gone but never ever forgotten.

Love,
Elizabeth (Sligh) Jones

“ "Man that is born of a woman is of few days and full of trouble. He cometh forth like a flower, and is cut down:..." (Job 14:1). Mark came to this world like a flower and brought beauty, sweetness, and joy. A capable, intelligent, caring soul. But as with all humanity, he had his share of vicissitudes of life. Reminding us of man's life: short and sinful; and of man's death: that it puts a period at the end of our present life. May Mark's Life help all of us get good by his death and get ready for our own. Mark will

be sorely missed.

“ Brother Mark was a genuine awesome person. He would always invite me over for dinner or for gatherings. He was particularly inspired by one of my Wednesday night Bible teachings. We clicked from that point on. Earth has no sorrows that heaven cannot heal. We celebrate your life here on earth but have joy in knowing that you are with God and in perfect health today. Love, joy, peace, prosperity, be with the family.

“ When you give someone your time, you are giving them a portion of your life that you will never get back. Your time is your life. That is why the greatest gift you can give someone is your time.
