“ *To the Family of The Late Mr. Albert Wallace: Look upon death not as the ending but the beginning. Look upon you loss as the Heavenly Father's gain. Look upon the broken circle as an arrival home. Look upon the missing spoken word as a journey completed. Look upon the empty chair as a place at the Kings's side. Look upon the floral arrangements as an expression of love. Look upon your loneliness as a chance for fellowship with Jesus. Death for one who has died in the Lord is perfection. Look upon it as something especially wonderful. Have hope in tomorrow, have faith in the everlasting, and take comfort in the love of friends and family. the family will be remember in prayer.*

*My condolences to the Wallace family.
Rest in peace Albert! I always watch the movie Friday when I need to wake my spirit back up!! sad to say that I don't watch Friday that much because everyone has passed, and I'm very saddened. Thank God for Terry Crews & Ice Cube! keeps me going. but still very sad! I just found out today that smokey died last year and it kind of hurts real bad because I would always think another movie's going to come out with them in it and then I find out they're not with us anymore and that's really sad! most of the Stars actors are gone home to God. Terry Crews, Ice Cube keep me smiling! Stay safe love you guys! Oh and before I forget my landlord always complaining about people not paying the rent except for me because I drive a home heating oil truck and a front end garbage truck so I told my landlord Hey listen watch this clip get Miss pearly over here to get your rent before he seen the clip he said, who the hell is Miss pearly and when he saw the flick he gave me a month's rent free, no bull. Love Miss pearly also. Bye-bye and everyone stay safe!*
