“ *Me & you stayed at it all the times regardless of what, but you always knew that no matter what or when, I was just a call away. I can hear & see me now fussing with you about calling & waking me up before 6am every morning, & you yelling & fussin back telling me to shut up & get up because I should be glad I have a grandmother to call me & one day I'm going to miss & wish for your calls besides I shouldn't want to just lay in the bed & sleep all day because only the early bird gets the worms. Love & miss you grandma!*

“ Our world lost a beautiful, kind, gentle and loving woman. Our sweet Annie’s light and love shines throughout heaven. She cared for, loved and built my children up as if they were her own. Annie is the perfect example of how one life can make such a difference in the lives of children. I can see her rocking my children and hear her voice singing:

“Go, Tell It On The Mountain, Over the Hills and Everywhere; Go, Tell It On The Mountain, That Jesus Christ is Born.”

We remember her amazement and nervousness that turned to joy as she traveled with us beyond Aiken and Columbia. The tears in her eyes and emotions that rendered her speechless as she saw the ocean for the first time. The joy she shared as we explored Charleston and later Disney World. Our hearts ache at the loss of Annie. Her love was a rare unconditional love that we are so fortunate to have experienced.

We know Annie is loving on all the children in heaven and we will hear her each Christmas morning singing "Jesus Christ is born." We love you Annie. Thank you for filling our hearts with your love.
