“ your laughter was contagious. Your story telling was one of a kind. If anyone is around you, they are guaranteed a good laugh. Your hospitality, your love was real and your spirit was kind. I will truly miss you at the family gatherings; it will not be the same without that tall statute of a man with that big smile and waiting for the right time for the punch line. I just don't have the words to say to fill your space. I am not worried bc I know you made it in. I remember our conversation about Israel and your baptism. You even glowed. You were changed to a new spirit in a new body. I see you now saying, "I made it y'all. I'm alright. see you when you get here." Love you forever cousin.
