“ *My deepest condolences to the Van Buren family! Classmate, we just recently reconnected over social media. From the first moments that we did, it felt like I had my friend back...your presence was strong! Liking posts to watching stories, I felt you near me. I was happy to see you! And in that, I find peace. I will hold on and I'll take those very moments as hello friend, I'll see you later! Next time, I'll jump longer than you did in Double Dutch..lol! Rest now friend, your purpose here has been fulfilled. ❤️ 🕊️*
