“ *My grandfather was a good husband, father and grandfather. He did any and everything for us. I wouldn't ask for anyone else as a grandfather. Growing up my father wasn't around and he took on that role and did a very good job as an father/grandfather , he has taught me numerous of things that is going to stay with me forever. I know he's watching over my family and is going to keep us safe. Im going to continue to make him proud and keep my promise like I told him. I love you Granddad. Always & Forever !*
