“ I am sorry to hear of your loss. The Bible offers comfort at Revelation 21:4 that reads; "And he will wipe out every tear from their eyes and death will be no more. Neither will mourning nor outcry nor pain be anymore. The former things has passed away."

“ Brandon I love N miss you so much. I know you are at peace and loving those pearly gates and those streets paved with gold. You were indeed the most perfect teenager on earth. God had to have you back so soon. I know you you spread your light silently. I have never seen a light shine so bright. Your light shines even brighter the day you left us. We truly miss you and would do anything to have you back. You were like my lil brother and from the day you were in mama's womb until the day you left us on earth you lived a perfect life. Now that you are in heaven watch over us and use us through God so our life will be perfect also. I love and miss you??. May you light continue to shine on us from heaven. Until we meet again enjoy heaven's pearly gates, gold paved streets, hot dogs and whole turkeys baby brother. YOUR EVERLASTING LOVE WILL LIVE FOREVER!! RIP

“ When I told my kids the news, Imani's mouth dropped open with disbelief- she was speechless. Joe and Tyler first thing they remembered was Brandon always poking them and making them laugh. Brandon has touched so many lives of family and friends. He will be missed. To the family .. Continue to lean on the everlasting arms of Jesus.. He won't fail you and He won't let you fall. “ *Brandon I miss you so much! Your light shined silently over everyone on your 17yrs on earth. It is even crazier because you even left us silently. We all were looking for you to be a minister or a bishop but instead God decided to have you continue shining your light in silent by taking you from us. I had questions at first but God broke things down to me to make me realize that you made it into his kingdom. You were every bit of perfect. I miss you so much. I know you continue to live with us. I am going to miss your presence. I know you are enjoying the pearly gates and the paved gold streets. I will see you up there. Until then hold it down and eat God's hot dogs and whole turkeys. I LOVE AND MISS YOU SO MUCH.*

“ *To the family, my prayers are with you. God has called his angel home. I had the pleasure of knowing Brandon as a school mate of my daughter Fatimah since elementary and they just graduated together. All I heard from her and the other children is how sweet and kind Brandon was. There was no one who didn't like and love him. Brandon would make you laugh and smile. The day God called him home, I sat and talked to her. She shared memories and pictures with me. To the family Brandon may not be here physically but he is living in each and everyone of your hearts. Keep his memory and spirit alive. He had a beautiful smile. Weeping my endure for a night, but joy will come in the morning. Know there is comfort in God.. Be blessed.*

“ I wasn't a actual blood family member but I have been in this family for the past few years. So of course his passing hurt me too. The thing that I remember most about Brandon is how no matter what mood you may be in, he would always find a way to make you laugh. It didn't matter what day it was or where he was, if you were sad or upset for any reason he would find a way to make you forget because of the laughter that Brandon would create in the room. Gonna really miss you Brandon. RIP.
