“ *I am so sorry to learn about the death of your loved one Bruce. I pray that the many fond memories of him will forever live in your minds and hearts. How good to know that soon all suffering, pain and death will be no more. How good to know that our loved ones are only sleeping and that one day soon we will see them again by means of the resurrection. Do not let your heart be troubled. Believe in the promises of God and find inner peace of mind and heart. Once again I am sorry for your loss!*
