

## Carol Ann "Bay Bay" Perry

April 6, 1946 - May 24, 2013

Carol Ann Perry, lovingly know as "Bay Bay", was born April 6, 1946 in Oakland, California to the late Master Sergeant Bennie E. and Ruth Naomi Robinson Perry, Sr. After a brief illness, she departed this life Friday, May 24, 2013 at Richland Memorial Hospital in Columbia, SC.

\*Carol was an active member in the Miracle Deliverance Temple and she was on fire for God. She loved Him with all her mind, body and soul. That love was extended to everyone she met. Carol was in inspiration to all who came in her presence. She attended the public schools in Washington, DC and college in Columbia, SC and worked for Judge Kennedy at the Richland County Courthouse. During her tenure, she worked in the Microfilm Department until she retired to take on the responsibility of rearing her grandchildren. She was also a SC Notary. "Bay Bay" loved her family dearly and her philosophy was "help those who cannot help themselves".
