“ *Cheris was a great friend, very talented person. She had a voice out of this world could Sing OMG. School talent shows Cheris was definitely a beast with that voice of hers. She liked doing hair , dancing, chilling with her family and friends and being herself. She was a second Mom to a lot of children and Wonderful Mother and Grandmother to her very own. Kimberly, Brandon and Brittney you were blessed to have her as a Mother. R.I.P. Cheris*

*This was a devastating shock to me when I heard the news of your passing. Still hard for me to believe you're gone. I spoke to you last month and you said girl I'm about to get married again, I was like What? Girl I know you kidding. We had such a good conversation and you said you were going to call me back and never did. We had some crazy, good and hilarious times together and I will always Cherish our times together. My heart is full of pain right now so I'm praying to the Lord for comfort. To Kim, Brandon and Brittany my Sincere Condolences and may the Lord give you all the Strength and Comfort you will need during this difficult time. I will miss you dearly my friend Cheri. So until we see each other again my friend. Love your friend Fran and the Meggett Family.*

*Cheri's was a childhood friend in Ridgewood. She would sit on the swingset in her granddad's yard and sing to the top of her lungs and it was always beautiful. My condolences to her family. God speed! 🙏❤️*
