“ *Connie was always so kind & sweet. She didn't mind helping or encouraging anyone no matter how she felt. We enjoyed visiting with her whenever we traveled to SC. She inspired us to start gardening. We often exchanged gardening tips. She always said what helped her vegetables to grow was prayer:) and indeed she had the best looking greens! One thing we will always remember about her is her faith and trust in the Lord Jesus Christ. She was a strong believer in God's word and prayer. We miss her so much. Sending our warmest condolences. -Laketa & Lakeshia Entzminger*

“ My friend Connie, whom i called a true friend with a loving spirit to
be around at all time. Connie would open her arm to help anyone in
the church where ever she was needed, she never complained
about nothing, even when she didn't feel well she pressed her way.
Here at LZB gonna truly gonna miss her greeting us at the doors
with her smile and soft spoken voice. Connie loved the Lord and
didn't mind you knowing so. To Travis and Ella, you had a good
mother with a loving spirit , she will always be in our heart.

“*Connie (Pat) and I were good friends in high school. She had an extraordinary ability to sew and create the most marvelous dresses and accessories. She and her mother were active in our church and I just enjoyed being in her presence because she was always so funny and delightful. Although we lost track of each other over the years, my fondness for her has never waned.*
