“ Sincere condolences to the family of the late Cornelius "Red" Keitt. My memory of him was most prevalent of his attendance at The Stokes Family Reunion. He would drive from Connecticut to South Carolina in his signature black Jaquar. He had an easygoing and kind spirit. He also had a sense of humor that made him a joy to be around at our family reunions. May his memory live on in the minds and hearts of all those who knew and loved him.

“ To my big brother Cornelius Keitt aka Redd, I loved you from the first time we ever met until the end. You have always been that brother-in-law who fit in and was always available to help wherever needed. We are all going to miss the laughter and fun we always had in Hemingway, SC, and on our visits to Connecticut. You were a good brother-in-law who treated us like your best friend and stood with us in all the matters of our lives. You were the one who always supported us and made us relax. Sleep on brother and take your rest. We loved you but God always picked the best. Love always your sister -n-law, Maedell Davis Sutton.
