“ *Fondest memory ...us going to see The Elements - Earth, Wind & Fire. Remember, it snowed afterwards and we had moved to Oak Cliff, ugggh! I remembered wishing we'd NEVER moved to OC bc I could've just went across the street at 1717 Caddo and been at home. Gonna miss you so, our long talks, laffing about our "grown-up lives" comparing it to what we THOUGHT we'd be doing! Then you said NAVY! When you came to Dallas and brought me to you & Earl's home f/2 wks, best of times - Earl grilling me & my friend Fran steaks & serving us like we were Queens, then next day, rode trip to New Orleans 2c Luther V at the NO Jazz Fest ... YAAASSS, huntie. You made it, girlie, you did that. You sent me this & a shot glass from you were stationed in San Francisco, remember? Each time I've moved, it goes on my wall nearest my mom's dresser where we'd sing in front of with my component set blasting loud from my room in the front ...acting fast! Gonna miss you sooooo much, so much! LOVE YOU & keep on giving me those positives that you always did...don't stop. Still counting on you. LOVE YOU ALWAYS, ALWAYS.*
