“No matter how old we are, losing a mother is one of the deepest sorrows a heart can know. But her goodness, her caring, and her wisdom live on, like a legacy of love that will always be with you. With deepest sympathy,

“For though I am absent in body, yet I am with you in spirit, rejoicing to see your good order and the firmness of your faith in Christ.”

Colossians 2:5

“I have fought the good fight, I have finished the race, I have kept the faith.” 2 Timothy 4:7

“I can't believe I am posting about my girl. Ms. Tucker and I worked together for over 10 years at Burnside Elementary. She would always encourage me when I was questioning my parenting skills. I am going to miss my friend. I want her family to know that she talked about those grands and her daughters ALL the time and she love them. I am lifting you all up in prayer.

“ I worked with Ms. Tucker for several years at Annie Burnside Elementary School. She was very humble and had a kind soul. We had a joking rivalry as Clemson and Carolina fans teasing each other based on how our teams were playing. She was missed at Burnside after her retirement and will be missed even more now. Heaven has gained an angel.

“ Ms. Tucker worked with me in the 2021-22 school year in the afterschool program at Burnside. She was so conscientious and invested in the group of students she served. I am so thankful that I had the opportunity to get to know her, and I'm thankful for the work she did with those children. She was an integral part of their academic growth that year. - Stephanie Doyle

“ Well , what can I say, but Mrs. Tucker was such a woman. A strong warrior if I must say. I Thank God for allowing her and I to cross paths thru our children. Our conversation each time were of her Thanking me for allowing her to be a part of my work crew (BK) . Never did she missed a scheduled shift. Mrs. Tucker loved my Son (Breyon as if he were her own and for that I Loved her. That smile alone is priceless. I know you will be watching over The 2 K's ,(Kenya and Kea) along with you grands because they were your life. When I say always talked about the Tucker flock— I can write a book , but nevertheless her actions showed me a true friend. Definitely you will be missed . Rest in your makers arms so he can protect thee. Amen—
