“ *Today was not a good day for me. So many people are telling me that the pain of losing you gets easier to bare as time passes by. I can't tell!!! Bruh I miss you more and more with each passing day. In a sense it's kind of like our roles have switched. What I mean by that is, after all those years of me being big sis to you, now I need you to be my "Guardian Angel". I love Tay!!!* ”

“ Words can't begin to express the pain of having to bury someone so close to me. Every night I pray & ask God to let Tay come to me in a dream just to let me know that he is okay. I promised you that I would always be there for you. On 8/11/15 I wasn't there and I'm having the hardest time ever dealing with it. I'm holding on to one day being reunited with you bruh. To those that's making comments stating Tay was no angel...I suggest be careful b/c you don't have a "Heaven or Hell" to put anyone in & you don't know when death may knock @ your door!!! I love you & I miss you even more Tay.
