“ *DORA and I have been friends for over 30 yes.we sent positive messages to one another n the morning. I lived in her complex for several years. On Dec 21 whenni hadnt seen her at church i texted her and she texted me back and said she was down south and would return after Xmas. I'm sad my friend went home 2 be with the Lord. A true soldier in the Lord. You are missed. Your friend Lois*
