"Gone but not Forgotten."

Momma I will always remember the love and compassion you gave in everything you did, whether it was putting a program together at church, baking a cake, cleaning your house, caring for the sick, or serving in the many capacities that you did. You gave us (your children) all of you - all the time. I thank God for giving me the honor to know and love such an awesome woman.

*Love you momma,
Lue*

“ My Momma was a teacher, nurturer, counselor and provider; but most of all, she was the best mother and parent a child could have. Her strength and spiritual commitment to God was unwavering, and I am comforted knowing her work on Earth was done. She fought a good fight and as she always taught me (and sang to me) - "99 1/2 won't do".

So sleep on Momma. Don't worry about us; you just rest. You are no longer in pain. We'll be fine. I look forward to the day we will be together again.

*Your son,
Rodney*
