“ *GOD'S PEACE...Growing up in the Brooklyn, NY home of my parents, known as Tommy and Sister, I knew the Rev. Dr. Lillie Burgess, as my cousin Lillie. My Mother was very close to her mother when they lived in South Carolina. I recall that she was very pretty and well-spoken, and I have memories of her and her sisters Molly and Gloria spending fun times at our NY home. Recently, however, I have come to fully understand her broader impact on the world and am so filled of pride, love, and inspiration because of her life! Wish my Mother was physically here with me to celebrate THE VICTORY! HALLELUJAH! To Gloria, Molly, her children and the rest of the family: "BLESSED are those who mourn for they shall be COMFORTED." Matthew 5:4. It takes love to mourn and JESUS, THE HOLY SPIRIT, is the COMFORTER!*

“ *From witnessing a teenager preach his initial sermon to praying and being very present at my recent installation, Rev. Dr. Lillie Burgess was a consistent jewel at Ridgewood. She shall forever be remembered as one who often said, "I know a man (from Galilee)." A wise woman, a merciful missionary, a matriarch, a purposeful preacher, a triumphant teacher who was full of hospitality and good works. Prayers of comfort and strength to the family and RMBC, Benediction, and CIU.

“ Since the passing of Professor Lillie Burgess on January 14th, I really did not know what to say, as so many memories flooded my mind. She made such a profound impact on me during my undergraduate studies. Rev. Dr. Burgess modeled love, care, and relentless patience towards every student she served. She took seriously theological studies and played a significant role in my decision to pursue graduate studies in theology. I will never forget how she made connections between her missions trips to Africa, Egypt, and Israel to Biblical texts. As part of her World Religions course, she required us to visit five religious and faith-based institutions outside of Christianity and write reflection papers about each visit. I learned so much that I still carry with me today. I am so thankful that I was blessed to study with Professor Burgess. It is so much more I can say, but I will stop here...

“ Rev. Dr. Lillie Burgess, a wonderful God fearing lady. So dedicated to every work she put her hands to. She was truly loved by all her students and staff at Benedict College. She worked tirelessly in her Missionary and Gethsemane Missions. She excelled in community work, church work, and cared deeply about the needs of others. A great woman of God who lived her life serving the people, resourceful, and respectful. A beautiful soul has gone on to be with the Lord...well done thy good and faithful servant. Sending much love and sincere sympathies to the family.

Dr. Burgess was a humble, loving, and beautiful spirit—a bright, shining light wherever she went. She was a faithful servant of our Lord and Savior Jesus Christ, and everything she did brought praise and honor to God.

Although we did not speak often, when we did, our conversations were powerful and always from on high. I thank God for allowing our paths to cross during this part of my journey.

To say that she rests in peace would fall short. Love has moved on to be with Love. Peace has moved on to dwell with Peace. Joy has moved from this side to live eternally with Joy.

Family, I have no doubt that you knew greatness lived among you. Dr. Burgess was not ashamed of the Gospel of Jesus Christ—she lived it and proclaimed it everywhere she went.

I will continue to keep you in my prayers. There is no doubt you will miss her deeply—her wisdom, her compassion, her kindness. Please know you are not alone; many nations already miss her as well. May God's mighty blessings surround you and carry you through this season of her transition.

Oh, how I wish we could have witnessed her glorious entrance into eternity, what a time, what a time, what a time! God is good, and He will take care of you all.

Mercy, Grace, and Peace.
