“ To my nanny words could never describe how much I miss you already. I will miss the phone calls! I will always hear your voice saying “Patsy, hey baby how you are doing.” We spoke of God often. You called me so many times to tell me about how God had blessed you. You appreciated the small blessings as much as the big blessings! Now, you have received the ultimate blessing and that is to dwell in the presence of the Lord forever. Enjoy your new home Nanny ❤️ I will see you again!

Love you always,

Your God daughter
