“ Hattie was a wonderful woman. Worked with her for years at two different hotels. Sometimes we would sign the old songs when messing around. I remember two of them "Blueberrie Hill, " Let Me wrap you in my warm and tender love". I will never forget her. I'm so sorry she has left us. God bless her and her family and friends. RIP Hattie no more pain.

“ *Always, and forever, known to me as my Aunt Hattie. I have always seen and would describe them, my aunts The Thomas Sisters' as These tall beautiful women. And age never changed that. Aunt Hattie was part of the village that helped raise me and my sister. Her beauty can never and will never fade from my heart. I can now rejoice that she has been given her wings. Always with love and my deepest condolences to her loved ones who has lost her from this world. I pray that you are comforted by her spirit that will forever dwell in your hearts.*
