“ My heart stopped when I heard the news. I was 15 years old when I met him, he was my FAMILY. I witnessed his journey, watched him over come, and excel in anything he put his mind to. "The Midas Touch". I know he will rest peacefully in the arms of the Father, My condolences to his family, especially his children and grandchildren. Until we meet again. I will always Love you -- Lee Lee

All the stories with Herbie are similar. He treated everyone he loved as Family!! We went way back to HS years when he was installing radios @ Laran's on Boston Rd. Memories!! I worked there running the T-Shirt shop. Oh the good times we had! But more important than anything else, Herbie was my brother, my Mom was his mom!! My sister and I were heartbroken to receive the news, but happy he's with Mom now. We will always love you Herbie! You've worked hard to earned your wings. Sleep in heavenly peace my brother, we will see you on the side. #LOVE
