“ This young man was friends with my son and he would come over to my house and talk to me sometimes about life. He was always very respectful and kind. I hate to hear of his passing. May God put his arms of comfort around the family and friends.

“ I have so many memories with my big brother. From us sitting on the porch chilling, going places, he walking me home every time I left his house, his advice, and so many encouraging words. This is a tough one fr. I'm really still in shock. I love you so much bro and I always will. Prayers to my other family.

“ I love and miss you brother so much. Jamar was like a brother to me he always checked on me & made sure I was ok. My last time talking to him and seeing him was Sunday. He was showing me pictures that we took together & fun random videos of us. He was truly my brother. And now he's gone. I don't want to believe it but my brother is gone. I'm gonna miss the fun days , going out & riding go carts. You always came over , we was family & still is. I can hear him now , “get some rest sis don't stress it, I love you “ you was always over protective over me. I'm glad my two girls meet you before you left us. They will always know who their uncle is. Until we meet again King . Rest up & you will be truly missed. I love you my brother ❤️ #LLJ
