“ To the family of Janette (Doll Baby), Thoughts and prayers are with you during this time. I will always cherish the memories of Doll from our young days growing up in the Waverly Community among family and friends that continued through adulthood. Our friendship lasted throughout her life here on earth. I will miss the many, "I just called to check on you" conversations and more. She was a loving, caring person. RIP my friend.

“ Condolences to the Taylor/ Mickens Families. Janet was a staff member at Webber Elementary School in Eastover. There's where I met her. She was always a friendly, outgoing, highly respected person. She was a great teacher who was loved by her students. She was very articulate. I will miss her telephone calls and attendance at Seniors' luncheon at my church.

Janette and I met in the seventies when we were both serving students at Webber Elementary School. She served as a teacher and I as the principal secretary. We were friends from that time until her transition. I always expected a call from her on birthdays as she never missed. We have traveled together and would sometimes meet for lunch. She was my beautiful, caring friend and I will truly miss her. I extend my sincere condolences to Roy and other family members.
