“ I'm so sorry for your loss. Your mother loved her family and did her best to help all she could even in her own sickness. Richardson as we call each other by our last name. She was a beautiful woman and possessed a giving spirit. Her main concern was her children and grandchildren and her brothers. You know she had four and no sister but Ashley you were her sister she never had and she loved you. When I was young her brother Marvin was my close friend. I came to visit and I saw Jenice I said boy she pretty but of course I said it to myself. I didn't want have any problem with Marvin. You see back then we didn't comment about a friend sister. I worked with at Usc transporting her to Va school of medicine. Those were some fun times and I'm going to miss running into at the store. Last of all she was one of nicest people I knew and possessed a comforting smile.

*Love you Richardson and I'm truly gonna miss you!!!!
My Condolences to the Richardson Family.*
