“ Ms.Juanita and Ms.Janie, Mr. John will surely be missed from our ride outs every month.He was a very polite and friendly person, sharp dresser and very precise, with only pleasant things to say of others.I respected him he had a soft way of showing his love for the both of you. I remembered a visit @ the Pruitt Center when we got the opportunity to take Ms.Janie they held hands and had a wonderful visit,but when he then started to talk with you Ms.Juanita he said and I quote “momma I’m going to talk to my wife now”. He was a gentleman. I will miss him in the coming weeks. With much respect and kindness that he has shown me, respectfully submitted.
