“ *To the Harrison Family, may the memories of my cousin, Larry, bring you peace.*

When someone you love becomes a memory, the memory becomes a treasure.

I will treasure the memory of Larry as young boy visiting my parents (Gladys and Spencer Heath) and me back in the 50's in Fayetteville, North Carolina. As I grew older, I have wonderful memories of visiting Larry's family at my Aunt Ada's house in Ridgeway. I will always cherish the times my sister and I would walk down the dirt road with our cousins to the store to get pound cake. It was always an adventure. We will miss Larry.

All our love and prayers for your family at this time.

Love,

Gayle (Heath), Chris, Blake, and Lauren Carrizales
