“ Although I only New Larry for a short period of time I will have to say he was one of my best friends that I have ever had or maybe even the best. There wasn't anything I could ask that he wouldn't do and most of the time I wouldn't even have to ask. I only new Larry just short of a year but we developed a close friendship at the beginning. I had lots of good memories with Larry and I will never forget him.He was one of the most selfless people I have ever met. It has almost been a year and I still think of Larry often, he was a good friend and will not be forgot by his friend
