“ We are deeply saddened by the passing of "Ms. Marilyn" as she was so affectionally called. She was adored by both staff and patients. The patients really enjoyed having someone who would listen to EVERYTHING they had to say. I was impressed by how much patience she exhibited. We are going to miss her calm demeanor and sense of humor. Although she was only with us for a short time, her presence will remain in our hearts forever. May she rest in comfort and peace in God's eternal arms.
