“ To the Dash Family. Our heartfelt sympathy goes out to you all at this time. We have hope and faith in God that he is a comforter to those that have loved ones that have passed away and we trust in Gods word that we are never alone he is always with us. Sis Mary always when seeing her had a soft smile. Never heard much words but her hand shake and her hug said more than words could say. I could tell she loved Gods people and yes we loved her as well. Take care and God Bless.
