“ I had gotten to know Ms Pat when my grandson named DaVaughn, was a baby. she was so nice to me that we hit it off the very first time. She made me laugh and to love life to the fullest. She always told me to keep the Lord in my heart because no problem was too big that he wouldn't solve. I will never forget her and the love she had for people. To the Family she just went home to see our King cause he needed her more.
