“ *Sissy I Love You just like you were one of my sisters. The pain I feel now really hurts, and I miss you already. You were my Best Friend, I may not have always been your best friend but you have always been mine. When I read this poem it made me realize why I felt a sense of peace the night you left this world. I know that if you could speak at that moment you would have said something just like this. You would have comforted me as you have done so many times. I Love You My Girl, and will see you again one day in Heaven*

*My dear friend,
close your eyes...
hold my hand,
and hear me whisper...*

*For the times I was lost,
you were there to look for me.
Will you believe me when I say I love you more than you'll ever
know.
Will you trust me when I say ...this time you have to let me go.*

*My dear friend, I must leave.
The world no longer needs me.
It's my time to be gone, until we meet again someday.
Don't you cry now, I know I'll be okay.
Trust that I'll never forget you.
Don't be sad now, just close your eyes until it's through.
Hold my hand, don't open your eyes yet...
wait when I no longer whisper..*

*My dear friend, you'll be fine.
I'll be up there watching over you.
For the times I'll be gone, don't ever forget
the words I whispered to you.*

*God calls on my name... and I have to let go of your hand now...
Please don't cry... and smile for me..*

because I'm with the one who made us friends.

Remember, I'll always love you.

so come, wave me goodbye...

It'll be painful but we have to...

Hug me, hug me tight, feel the words I can no longer say.

My dear friend, I'm going to miss you.

just pray because I'll always listen.

and one day, when it's your time,

I'll be there for you...

Just like the way I used to.

...I love you...
