“ Rest peacefully Dad, I'm glad you're no longer suffering and having that well deserved relaxation I know you've been wanting for many years. Hopefully there are great fishing spots, a 24/7 store providing you with boiled peanuts & sunflower seeds and an unlimited stash of epic comic books for you to read wherever you are. I'm sure you're watching over us all in spirit, laughing away like the usual goof ball you were. I'll keep up with my artwork & crafts just to make you even more happy & proud. The future holds many great things I'm sure!

Until we meet again.  
Lots of love,

Brittany Lorick
