To the entire family of Shay ,

Please know that my prayers are with you. Shay was a former coworker at SCDOT and believe me, we shared much laughter throughout our work tenure , especially during those inclement weather conditions. May God comfort the family as you mourn his transition, and at the same time may you treasure those precious memories of him .

My thoughts and prayers are with and for the entire Johnson family. I met Shay 20 plus years ago when I moved to Cola. He was a barber who would come to my home and come to cut my grandsons hair 19 yrs. ago. He was my co-worker and friend and will forever be missed. Rest my friend until we meet again. I love you.
