“Daddy, you were kind, humble, God fearing, stubborn, loving, caring, a great friend, and a wonderful dad! Not a day goes by that I think of you. My heart aches because I miss you so, but I know that you are safe, in no pain, and rejoicing in the fact that you are with our other loved ones. I will miss our 3 hour talks about any and everything. Our visits either in NC, OK, or SC. Most of all I will miss seeing you face and hearing that sweet voice. Rest in heaven daddy and I know you will always be in my heart forever.

“Barker and I showed our friendship to each other while he was alive. We talked at least twice a month by phone with our own personal greeting to each other. Rest in peace my friend and you will be greatly missed. Our friendship wasn't something that was displayed in words, it was showing. I'm glad you, Leroy and I had the opportunity to talk together on 3 way before you went to rest.
