On April 27, 2021, our Heavenly Father called our precious angel home, Vickie Renea Woods Daniels. She was born, July 23, 1959 to the late Deacon Edmond and Virginia Durant Woods.

Vickie joined Friendship Baptist Church at an early age and sang with the Messengers, on the Sanctuary Choir, and worked with the Homeless Feeding Ministry.

She lived on Oakside Lane, but spent most of her time at her sister's home with her great niece and nephews. She had so much love for them and they as well for her. There were times when people thought they were her children and she would humbly reply by saying, "these are my three little bugs", which was the name she loved to call them.

Vickie was educated in the public schools of Richland County and was a 1977 graduate of Dreher High School. She then attended South University, earning her degree in Psychology as an Honor student. She made a promise to her mother, to get her degree and that promise she kept. When asked, if she would further her education after receiving her degree, she said, "Not right now, gotta give the old brain a rest."

Vickie worked as an Activity Therapist and recently changed her working position. She worked for The State of South Carolina for more than twenty years. Her most recent place of employment was with WellPath. She loved and enjoyed working with her co-workers.

Vickie was not shy about letting everyone know that she was a die-hard, Dallas Cowboys fan. Nothing was more important than the love she got from her family. She had so many friends who adored her.

Vickie leaves to cherish precious and fond memories of her: her son, Cory Woods, of Salters, SC; four grandchildren, Aaliyah, Carmella, Carter, and Peyton; seven sisters, Geneva Patterson, Phyllis Sumter, Calisteen Faust, Minister Barbara (Laverne) Mack, Brenda (Larry) Richardson, Marie Woods, and Karen Heller, all of Columbia, SC; two brothers, Calvin (Minister Evelyn)

Woods, of Columbia, SC and Curtis Woods, of Monroe, GA; and a host of many nieces and nephews, whom she loved dearly.

Please leave the Daniels family your condolences and prayers.

The family of Mrs. Vickie Renea Daniels acknowledges with grateful appreciation, all of your kind expressions of love and sympathy.

Thank you for helping us care for our families.

A. A. Dicks, Sr. and Staff.

“ Oh, Ms. Vickie, I SO much wish you could read all these wonderful impressions that many people have had, walking alongside of you in life on THIS side of Eternity. Please know that you were deeply loved. I know you would never want to come back, now that you have begun to experience the love of Jesus first-hand, but we miss you terribly.

My prayers join those of many others asking God for mercy and strength as your family and loved ones let go of you, and learn to love the memories that will be the empty spaces in each of their lives and in ours as well. Rest well, dear Sister.

“ Vickie I am truly gonna miss our phone calls and long talks. I remember when we first met at Midlands Technical College we became friends from there. We were always laughing about something. You were always the same every time we met. Girl you knew everything and I would imagine that was because everyone was comfortable with talking to you. We shared so many stories and all of them whether sad, bad, or happy there was laughter somewhere in the picture. I will miss you calling and saying "Frances, honey lemme tell ya" I am so glad that I got you to come aboard to CRCC because clearly everyone loved you here and you will be greatly missed. My friend My friend I am so lost for words but I should have know something because I called you twice and you didn't return my call. I am going to miss you girly my heart is very heavy and I can't stop crying and thinking of you but rest on my beautiful friend rest on.

“ I had the pleasure and good fortune to work closely with Vickie on Unit 4 at CRCC. I saw how dedicated she was in taking care of our patients and anticipating all their needs. She did everything she could to make their lives better. Some of my favorite times with her were when we danced in Friday morning dance parties with the patients. Vickie had moves!

Vickie was an amazing team player who made the jobs of the nurses and physicians easier. Even when Vickie moved on to work on other units, and when she was promoted to become an activity therapist, she made time to stop and catch up with me for a few minutes in the hospital hallways. I know how much she cared for our patients, and I'm hoping she knew how much the patients and staff loved her. The hospital will not be the same without Vickie and her dedication, warmth and wit. Sending you and your family so much love, Vickie.

“ Vicki we met at Bryan in 2006 but developed a friendship in 2007. I enjoyed every moment we talked, laughed or just blew off steam of common problems. You watched me raise my son and you forever asked about that "Big ol boy" that only eat Chinese food. You are at peace now my friend and put in a good word for the rest of us with the Master! Until we met again my friend. To your family, I pray each day their hearts heal.

“ My heart hurt to learn of Vickie’s passing. She was such a beautiful person, both inside and out. I treasure my interactions with her. I valued her opinion of things on the job very much. She was so kind to the patients and such a hard-worker, so devoted. She was so excited to have the new position as activity therapist. She told me how much she loved it. I’m so sorry she didn’t have more time to enrich the lives of the patients and staff with her skills. My deepest sympathy to the family, friends, and to all her coworkers who lost such an integral member of the team. Vickie, fly high, my friend. You will be missed by so many here.
