“ *My uncle junebug. This is really tough. Ever since I was a little girl up until my adulthood, whenever I saw you, you would always make me smile. Even when I was having a bad day, seeing you made me forget my problems. I'm going to miss seeing your smile. You always made me feel special and loved ever since I was a little girl. I remember the stories you told me about how you use to take me to the park when I was a toddler. I'm going to miss you so much. My heart is hurting right now but holding on to the good memories of you will help me get thru this. I love you so much.*
